Tournament- Carrie posted signs/applications all over SC courts, and plans to run tournament from 9-6, with the plan of using only 5 courts to play (with 5 markers!). Carrie has paid Mailee and received the City permit for tournament. Carrie bought a case of balls and said players will play full 3rd set, and will have 15 matches.

Marshall had tickets for Carrie to pass out for lunch. Food Committee plans to have pizza, veggies, fruits, drinks, and cookies for lunch and also snacks. Taryn and Jeanette will pick up pizza at Costco.

Combo Teams need to make sure they are in compliance.

New Business

Jeanette had Excellence Award for Bob for all of us to sign. Suggestion to get Bob's name written in calligraphy, frame and present to Norma at dinner.

Need to start researching dinner places for Annual Banquet in November. Jeanette will check the buffet prices at Mariani's as it was very nice at Bob's memorial service.

Roger-update website from mixed to combo and update pictures (someone try to take pictures of tournament such as winners, lunch, candid shots)

Carrie said Roger is close to having paypal ready so can do online application, banquet, etc and set up to treasurer @sctennisclub.org
