

SCTC Board Meeting Minutes

March 20, 2014

Board Members present: Marshall Madamba, Luzmaria Martinez, Hondo Onofre, Lucy Harendza, Carrie Bell. Team captains present: Lori Ventura

Membership: We are falling way behind in resident vs. non-resident members. Also, the City has a new requirement for all of its sports clubs that if there are more than two adults listed at any given address, proof of residency is required. Luzmaria will compile a list of households affected and we will send a letter, with a self-addressed stamped envelope for members to submit their proof (drivers license or mail received at that address). Help needed in drafting the letter.

Mixer: It was confirmed by the City that Lifetime can charge for the courts for the mixers. Three courts from 9 Am to 1 PM are reserved for the March mixer. Carrie will drop by to pay \$72 with the debit card. Lucy will buy the refreshments.

Logo: Approval was given for the final version of the logo presented by Lucy. Copies will be sent to Roger to put on the website. Marshall and Carrie also requested a copy.

Membership compliance for adult league teams: Helen's 4.5 team has one who still needs to renew. Osbert's 4.5 team has many non-compliant players. Other team captains will be contacted as needed.

Captain volunteerism: Lori will help with food at the June tournament. Osbert will be contacted about doing the September tournament. Bob Brunkhorst?

Storage unit: Still waiting on the City for approval

USTA membership: Board voted to approve renewing our CTA with USTA for next 5 years.

Meeting adjourned at 7:15 PM
